

ACCLAIM

LATERAL,  
PEDESTAL AND VERTICAL  
FILES

## ACCLAIM LATERAL FILES

### Features

❶ Single bitted crank locks (with removable cores for key-alike option) are standard.

❷ Full-width drawer pull for access from all angles.

❸ Adjustable glides at all corners provide proper leveling.

❹ Patented safety interlock system prohibits more than one drawer from opening at a time.

❺ Magnetic dry-erase labels are easy to use. Just wipe with a cloth and rewrite what you need to.

❻ Lock bars located inside both sides of the cabinet prevent side access to drawers.

❼ Counterbalance weight included in all units.

### LATERALS

Acclaim lateral files have a variety of features that make them the perfect compliment in any office setting. Available in 2, 3, 4 or 5 drawer high units, with widths of 30", 36" and 42". 5-high units are manufactured with a 13 1/2" receding door with a fixed slotted shelf or a roll-out slotted shelf to hold binders. 11" drawers are made to hold hanging folders side-to-side. Front-to-back filing can be accomplished by adding front-to-back channels. The drawers are also slotted in 3" increments to accept plate

dividers for additional storage options. Heavy-duty ball-bearing suspensions permit smooth, effortless drawer operation. The Acclaim files are tested to meet strict BIFMA standards.

**Safety.** With Acclaim lateral files, there are a number of features that minimize the possibility of tip-over: counterbalance weights, adjustable glides for proper leveling and a patented interlock system that allows only one drawer to open at a time. All Acclaim files are offered in a variety of standard enamel colors.

## ACCLAIM PEDESTAL FILES

### Features:

- Hidden storage tray for personal items.

- Full-width drawer pull provides easy access to files.
- Lock mechanism has a standard removable core mechanism.
- Heavy-gauge outer case provides strength and durability.

- A fifth caster on the mobile units prevents tipping when drawer is fully extended.

- The file drawers are fully extendable for unrestricted access to file folders.

- Front casters on mobile units lock to prevent unwanted movement.

### PEDESTALS

**P**encil, box, file; box, box, file; box, file; file, file. Whatever your pedestal needs, Acclaim has a style to fit. The units are available in either mobile, freestanding, suspended or worksurface supporting variations. A unique hidden 3" drawer is available on the pencil, box, file model. Acclaim mobile pedestals feature front casters that lock to prevent unwanted movement. A fifth caster (on pencil, box, file; box, box, file and box, file units) is used instead of a counterbalance weight to prevent tipping. All drawers extend on heavy-duty, ball-bearing suspensions.

## ACCLAIM VERTICAL FILES

### Features

❶ Patented safety interlock system prevents more than one drawer from opening at a time.

❷ Adjustable glides allow for proper leveling.

❸ High-sided drawers eliminate the need for additional folder bars.

❹ Heavy-duty, ball-bearing suspension ensures a long, durable life.

❺ Locks with removable lock core are standard.

❻ Full-width drawer pull provides easy access.

❼ Magnetic dry-erase labels are easy to use. Just wipe with a cloth and rewrite what you need to.

### VERTICALS

Acclaim vertical files were designed to keep your office files completely organized. The Acclaim product offering includes 2, 3, 4 and 5 drawer high models, in 15" and 18" widths. The 11" drawers are manufactured with high sides to accommodate hanging folders, both letter and legal size. Folder channels are available for side-to-side filing. Compressor followers are also available as an option. Heavy-duty, ball-bearing suspensions allow the drawers on Acclaim vertical files to fully extend to clear the front of the cabinet for unrestricted access to the drawer contents.
